

FLIP+ Library

Improving the quality of education worldwide through assessment sharing.

Our Story in a Few Words

1

FLIP+ is an **international community** of leading educational institutions, committed to sharing assessment tools and best practices, **improving education worldwide**.

2

FLIP+ founded a **consortium** in 2023, bringing together 5 of its national member institutions and the UNESCO Institute for Statistics (UIS) to **build the FLIP+ Library**.

3

The FLIP+ Library is an **open-source, educational resource platform** that strives to improve the quality of education worldwide, **contributing to the United Nations Sustainable Development Goals (SDGs)**.

4

The FLIP+ Library's **pilot release** will take place **before the end of March 2025**. The **FLIP+ community release date** will be **announced at the 8th Annual FLIP+ Event** (June 2025).

“ We empower educators and assessment stakeholders worldwide with the best open-source tools. ”

1

The association FLIP+, founded in 2019 by four national member institutions, is an international community of institutions committed to promoting the **culture of educational assessment** as an essential factor in **improving the quality of education worldwide**. As of January 2025, the association includes 25 national member institutions as well as the UNESCO Institute for Statistics (UIS).

FLIP+'s main mission aligns with United Nations Sustainable Development Goal (SDG) 4: Quality education - Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

FLIP+ founded a **consortium** in 2023 bringing together five of its national member institutions and the UNESCO Institute for Statistics (UIS) to build the **FLIP+ Library**.

Center for Public Policy and Education Evaluation (CAEd)

Direction of Evaluation, Foresight and Performance (DEPP), Ministry of Education
*Lead Partner**

National Institute for the Educational Evaluation of Instruction and Training (INVALSI)

National Agency for Education

Norwegian Directorate for Education and Training (NDET)

UNESCO Institute for Statistics (UIS)

Theodo
Platform developer

Julhiet Sterwen
Project coordinator

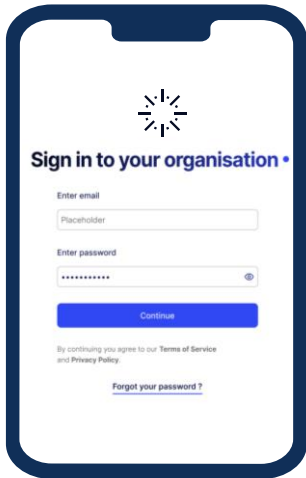

*The Lead Partner, the DEPP, ensures project management and operational follow-up with external service providers.

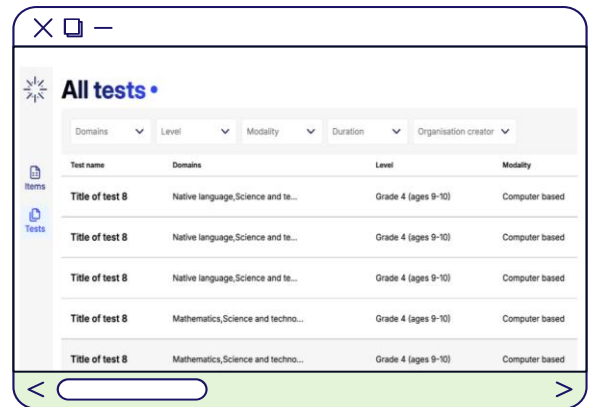

A first of its kind, the FLIP+ Library is a **collaborative, open-source platform** for **educational assessment resource sharing** across countries, languages, and subjects. Its goal is to improve the quality of education worldwide, contributing to SDG 4.1: Free, quality primary and secondary education for all.

Using the FLIP+ Library, **policymakers, administrators, and educators can:**

 **Connect** with assessment designers and developers worldwide.

 Intuitively **upload, access, browse, and borrow** assessment content.

 **Inspire** innovative digital item creation.

 **Collect data** on assessment items and country contexts.

4

The FLIP+ Library **pilot release** will take place before the **end of March 2025**. The **FLIP+ community release date** will be **announced at the 8th Annual FLIP+ Event, before the end of June 2025**.

Pilot Release

- Platform access for Beta testers from the five consortium national member institutions
- Access to administrator features (e.g., user, role, and org. management), content management, and interactive features

FLIP+ Community Release

- Platform access for all FLIP+ members
- Depending on the institution/individual, access to interactive features, content management, and administrator features (user, role, and org. management)
